

member benefit guide.

welcome to revive.

Revive is revolutionizing healthcare, shattering the norms, delivering unmatched convenience, providing best-in-class care, and making access easier than ever before. While navigating life's demands, your access to healthcare needs to be easy and flexible, Revive does just that. You are in control of when and where you receive care. Whenever you need assistance, our unwavering team is ready to support you at every step. This guide explores your Revive benefits in full detail.

what is revive?

Revive delivers effortless access to healthcare benefits through your member portal, so you can access care whenever it's convenient for you. Complete your enrollment today and gain instant access to on-demand, personalized care.

Our best experience is our web portal, but for your convenience, we also have an app on the App Store and Google Play. The app delivers the same quality of care, but may look different than the web portal as our journey evolves.

You can find information on how to get enrolled in the next few pages of this guide. Should you need more help, please reach out to your benefits manager.

membership services.

As a revive member, you have access to the services described in this guide with no copays, no deductibles, and no out of pocket costs.

CONCIERGE SUPPORT SERVICES

Date of Birth

Notes

TOTAL DEPENDENTS

You are eligible to add up to 6 dependents (child, adult child, partner, spouse).

ADDING DEPENDENTS OVER 18

For any member added over the age of 18, a separate email will need to be used to create their profile. They will then receive a welcome email, prompting them to complete their enrollment and head to their member portal. You will not be able to see this members personal health information and account information.
